**RE: WesPac Tilbury Marine Jetty Project: Change of Project Name and Ownership**

Please accept this letter as official notice to the British Columbia Environmental Assessment Office (EAO) and to the Impact Assessment Agency of Canada (IAAC) that:

- The name of the Project has been changed from WesPac Tilbury Marine Jetty to Tilbury Marine Jetty Project; and
- Tilbury Jetty Limited Partnership is replacing WesPac Midstream-Vancouver LLC as the Proponent.

Tilbury Jetty Limited Partnership will continue working with the EAO on the ongoing assesment. That assessment is being conducted under the *Environmental Assessment Act 2002* and continues as a substituted assessment under the *Canadian Environmental Assessment Act, 2012*. As the proponent, Tilbury Jetty Limited Partnership will continue the environmental assessment process with no changes to the scope or process and will fulfill the requirements set out in the Section 11 order issued on July 24, 2015 and the Section 13 order issued on August 6, 2019 including the requirements for Indigenous consultation.

Please provide us with written confirmation that the name of the Project and the identity of the Proponent have been changed on your records and website at your soonest convenience.

Sincerely,

**WesPac Midstream LLC**
